Reasons for Allowance

COMES NOW the Patent Office and opines the Reasons for an Allowance of the instant application to wit: that the prior art utterly fails to teach or reasonably suggest the combination of method steps which are recited in at least Claim 1 wherein an arrangement for a second plurality of conductive paths based on analyzing signals passing through a first plurality of conductive paths effects a rearrangement of the first plurality of conductive paths and designing a structure with a first plurality of conductive paths arranged in a first arrangement and a second plurality of conductive paths in a determined arrangement.

Moreover the Patent Office incorporates by reference the reasoning provided by Applicant in the paper filed on or about 30 December 2004 as its own as though each of the Remarks has been fully recited herein.

FURTHERMORE the Patent Office Saith Not.

Any inquiry concerning this communication should be directed to C. J. Arbes at telephone number 571-272-4563.
